

# 2025 Microgrid Conference

The 20th edition of the Microgrid & Off-Grid Innovation Forum, September 30 - October 1, 2025 in Austin, TX brings together technology innovators, project developers, utilities, energy ...

Microgrid Knowledge (MGK) Conference 2025 is the intersection of education, advocacy and collaboration on the mission-critical pathway to NetZero unity.

As power supply resilience becomes crucial for critical infrastructure, join industry experts at the Microgrid Knowledge Conference on March 19 to explore how microgrids are revolutionizing energy ...

This year's event will dive into the urgency of fractionalized energy systems, the growing impact of grid-edge technologies, and how microgrids are redefining energy independence in real time.

The Microgrid Knowledge Conference 2025 is scheduled for April 15-17, 2025, at the Sheraton Dallas.

The Microgrid Knowledge Conference 2025, taking place from April 15-17 in Dallas, TX, is a premier event focused on microgrid technology and distributed energy resources.

Celebrating its 10th year, the Microgrid Knowledge Conference 2025 will be held April 15-17 in Dallas, Texas, assembling industry leaders, policymakers, technology innovators, and energy ...

September 30-October 1 in Austin, TX focuses on microgrids and off-grid systems for onsite energy generation, time-to-power, ensuring power quality and reliability, and maximizing cost efficiencies

DALLAS - Industry leaders, innovators, and policymakers will gather at the Microgrid Knowledge Conference 2025 from April 15 to 17 in Dallas to explore the latest advancements in microgrids,...

The 19th annual Symposium on Microgrids will be held on 9-13 November 2025 at the Shenzhen Institutes of Advanced Technology, Chinese Academy of Sciences, and the University of Macau.
