

80W solar light lumens

High-performance 80W solar area light delivers 16,000 lumens of bright 4000K illumination, replacing 400W metal halide fixtures with energy-efficient LED technology and 5-year warranty.

The brightness of our outdoor wall light is several times that of traditional light bulbs. This 80w solar street light 8000 lumen has super-bright LEDs that will instantly illuminate the dark.

High-Efficiency Solar Panel: Features a monocrystalline solar panel for optimal energy absorption, ensuring fast charging even on cloudy days. Bright LED Illumination: The 80W LED offers high ...

Using Smart Technology, this light comes with 3 versatile lighting modes. First Mode will allow for constant full brightness throughout the nights. Second mode will allow the light to dim to a lower level ...

This patented, solar-powered, integrated 80 watts 8000-8800 lumens LED street lighting system comes prewired. All that is required is mounting it on a pole or building and aiming the solar panels toward ...

High-performance 80W Solar LED Street Light delivers 15,860 lumens with adjustable 2300K-6000K CCT. Ideal for outdoor lighting and energy savings.

This 80W solar street lights, dusk to dawn street solar lights with PIR motion sensor and light sensor, it can produce over 8000 high lumens of brightness, ideal for illuminating highways, roadways, streets, ...

Ideal for area lighting, it features a high-performance Lithium iron phosphate battery, a mono solar panel, and LEDs delivering 196 lumens per watt. Advanced motion sensors enhance energy savings by ...

High-performance 80W solar area light delivers 16,000 lumens of bright 4000K ...
