

# Illegal production of solar glass

Does China have an anti-dumping duty on solar glass?

By Implementing Regulation (EU) No 470/2014 (5) ('the original anti-dumping regulation'), the Commission imposed a definitive anti-dumping duty on imports of solar glass originating in the People's Republic of China.

Is TTG a dumping duty on solar panels?

The Directorate General of Trade Remedies (DGTR) has recommended an anti-dumping duty on imports of Textured Tempered Glass (TTG) from China and Vietnam. Commonly used in solar panels, TTG is also referred to as Solar Glass, Low Iron Solar Glass, Solar PV Glass, High Transmission Photovoltaic Glass, and Tempered Low Iron Patterned Solar Glass.

Which solar glass is subject to anti-dumping duty?

The solar glass subject to anti-dumping duty includes all glass fulfilling the abovementioned technical and physical characteristics, whether it is used for photovoltaic modules, flat photothermal energy collectors, furniture, to build greenhouses, or for other uses'.

Are solar glass imports a problem in India?

The Directorate General of Trade Remedies (DGTR) found that these imports, which account for 98% of India's solar glass needs, significantly undercut local prices and recommended the duties. What does SAMA say?

"A definitive anti-dumping duty is imposed on imports of solar glass consisting of tempered soda-lime-flat-glass, with an iron content of less than 300 ppm, a solar transmittance of ...

Abstract Current solar photovoltaic (PV) installation rates are inadequate to combat global warming, necessitating approximately 3.4 TW of PV installations annually. This would require about 89 million ...

(2) The investigation was initiated following a complaint lodged on 15 January 2013 by EU ProSun Glass ("the complainant") on behalf of producers representing more than 25 % of the total Union production ...

Key Takeaways: European glass producers in solar panels have accused Chinese competitors of unfair pricing, potentially intensifying the ongoing trade conflict between the EU and ...

The Directorate General of Trade Remedies (DGTR) has recommended an anti-dumping duty on imports of Textured Tempered Glass (TTG) from China and Vietnam. Commonly used in ...

India has imposed an anti-dumping duty on solar glass imports from China and Vietnam. While the intention was to protect domestic producers and support Indian manufacturing, developers ...

According to the Solar Energy Industries Association (SEIA), as of October 2023, the U.S. has 25 module production lines, 2 polysilicon suppliers, 9 inverter suppliers, 2 photovoltaic glass ...

## Illegal production of solar glass

As solar energy adoption surges globally, questions about the sustainability of photovoltaic (PV) glass panel manufacturing processes have taken center stage. This article cuts through the noise to ...

Glass accounts for a significant proportion of PV module weight, making glass recycling an environmentally beneficial process due to reduced CO2 emissions and energy savings. However, the ...

Borosil Renewables accounts for nearly 72% of PV glass production in India. Image: Interfloat Group. Recommended antidumping duties on solar glass imports from China and Vietnam ...
