

Mobile IP54 Outdoor Solar Cabinet for Subway Stations

Mobisun PowerHive 60: mobile power hub with 48 kWh capacity, 60 removable power banks, IP54 certified & STANAG compliant.

Empower your off-grid projects and grid-support applications with a reliable outdoor battery storage cabinet from TOPBAND. Engineered for harsh climates and demanding workloads, our outdoor ...

Now we have over 1.5GWh manufacturing capacity for lithium iron phosphate battery packs and 1GW for inverters. Our main products include low voltage and high voltage battery packs, on and off grid ...

With IP54/IP55 protection, anti-corrosion design, and intelligent temperature control, they are ideal for telecom base stations, remote power supply, and containerized microgrids. Our outdoor cabinets are ...

To cope with the problem of no or difficult grid access for base stations, and in line with the policy trend of energy saving and emission reduction, Huijue Group has launched an innovative ...

Now we have over 1.5GWh manufacturing capacity for lithium iron ...

Outdoor cabinets from HuiJue are engineered to maintain internal stability even under rapidly changing external temperatures, direct solar radiation, or high humidity.

Sunpal 100kW/215kWh outdoor battery storage system offers reliable solar backup, peak shaving, and EV charging support with smart BMS and remote control.

Shop premium solar outdoor cabinets with IP54-IP67 protection, liquid/air cooling, and 100kW-2MW capacity. Ideal for industrial, commercial & utility-scale energy storage systems.

Scalable outdoor energy storage cabinet is designed for customer application with power and capacity range requirements of 125kW/215Wh. The system can flexibly scalable the battery cabinet according ...

All-in-One Outdoor Energy Storage Cabinet integrates a 125kW bi-directional PCS inverter and 215kWh LiFePO4 battery into a rugged, space-saving solution for commercial/industrial applications.
