

Night Portable Power Bank

Is Nitecore NB Plus a good power bank?

Before the trip, I'd kitted myself out with Nitecore's new NB Plus. It's a 10,000mAh power bank that's built to be rugged and durable, and at the same time cram as much power into as little space as possible - it weighs 5.5 ounces and measures 4.8 x 2.3 x 0.5 inches.

What features should you consider when buying a portable power bank?

Pass-through charging is another feature to consider; with it, you can charge your device and a portable power bank simultaneously. That's convenient if both your phone and backup battery are running out of power.

How much does a power bank cost?

Iniu Power Bank BaI-B64 for \$76: Offering relatively low prices, Iniu is a power bank brand on the rise. This portable charger packs a 27,000-mAh capacity, can put out up to 140 watts, and charges three devices at once via two USB-C ports and a single USB-A port.
