

# Payment Method for 25kW Off-Grid Solar Container

WaterSecure by RPS provides the ultimate solution for bringing off-grid power to your container. Our all-in-one WaterSecure kit transforms your shipping container into a functioning off-grid enclosure.

We love the strategically placed solar panels on top of the container roof - we've accomplished this secure mounting with our field tested RPS Scalable Ground Mount.

Our containerized off-grid solar solutions provide customers with a flexible and reliable way to access clean and renewable energy in remote locations or areas without reliable access to the grid.

The Solar Array will produce around 118800Watts per day based on 4.5 hours sun. This size of system generally works great for larger sized homes, and etc that use around 3500kWh per month.

Now you have the option to go fully off grid with a few other add-ons, directly from Bob's Containers. Off-grid capabilities let you live anywhere, unencumbered by power connections and unaffected by ...

Discover OMO Solar's 25kW solar packages for powerful and efficient solar energy solutions. Power your large-scale projects with clean and sustainable energy.
