

Wellington solar street lights

We are so proud to be a part of this modern project and offering you with solar powered street lights. These lights are just perfect to light up the areas you are traveling.

Shop online today to buy from Australia's most trusted solar street light brands designed to suit the handle the New Zealand sun. We sell commercial solar street lights, led solar street lights and many more.

The lights have smart motion sensors and can be remotely programmed and fine-tuned. They were chosen in part because they can produce light of a colour and type that is unlikely to deter korora, little ...

Wellington is installing penguin-friendly, amber glow solar lights to provide better visibility on the darkest stretch of Tahitai, the award-winning harbourside walking and bike route.

Thirteen solar lights will illuminate paths near Calabar Road and Troy Street, and they emit a colour and type that is unlikely to deter korora, little blue penguins, which nest and rest in the area.

Solar lights with a penguin-friendly amber glow are being installed over the next few weeks to provide better visibility on the darkest stretch of Tahitai - the award-winning harbourside walking and bike route.

Penguin-friendly solar lights are being installed across one of Wellington's busiest biking paths to provide better visibility leading into winter. Thirteen solar lights with an amber glow will brighten up the ...

Wellington City Council will install solar lights with a penguin-friendly amber glow over the next few weeks to provide better visibility on the darkest stretch of Tahitai - the award-winning harbourside ...
