

Which is better in Burundi solar or energy storage

Does Burundi have solar power?

However, solar makes up a small fraction of energy supplied in Burundi due to its relatively low installed capacity of 5 MW ("Burundi Energy Profile" 2021). Solar made up 5% of all installed capacity in 2020, generating a total of 8 GWh of electricity for the year, which accounted for 2% of annual electricity generation in Burundi.

What can a Burundi Energy Center do?

For example, such a center in Burundi could focus on funding and implementing solar-plus-storage technologies for rural and remote households. The 2015 Electricity Act enables foreign investments into the power sector. In addition, laws in Burundi allow tax benefits for energy investment and public-private partnership.

What is the primary energy supply in Burundi?

The remainder of the primary energy supply is from oil ("Burundi Energy Profile" 2021). However, a majority (98%) of the renewable energy supply in Burundi is bioenergy. The remainder of the renewable energy supply is hydroelectric, and solar power ("Burundi Energy Profile" 2021).

How can Burundi benefit from the 2015 Electricity Act?

The 2015 Electricity Act enables foreign investments into the power sector. In addition, laws in Burundi allow tax benefits for energy investment and public-private partnership. However, without coordinated and focused efforts to direct those investments to impactful projects and initiatives, these strengths can become a missed opportunity.

Hello there, in the following sentence, should "better suited" be hyphenated or not? "The management team have promised to choose the options better suited to their clients' needs."

"Better" in "You better do it now" is replacing "had better" in "You had better do it now." It thus is an adjective turned into a verb, just as much as "shovel" (originally used only as a noun) ...

You would say "I'd better get going" if you needed to leave quickly. And if you said "I'm better get going" you would be saying "I am better get going" which is not the proper structure.

Whether you use "the less the better," "the fewer the better" or "the smaller the better" depends on what adjective fits for the noun that you are talking about.

The word "rather" already alerts the listener that the speaker/writer is choosing one thing over another. So, if you say you'd rather do something soon, the obvious implication is that you don't ...
